**Subject:** RE: Ribble/ Burnley & Pendle / Blazefield / Lancashire United etc

Catrin, as you would expect, it is quite a complex transfer of routes and is best summarized as follows:

Most services currently on the database and shown as operated by Stagecoach Ribble (RMS) will be transferred to Lancashire United, except.

*PMS* Services 113 (Wigan - Preston), 125/6 (Bolton - Chorley - Preston), 312/5 (Chorley - Middlebrook), 675 (Rivington & Blackrod School), 963 (Winstanley/St John Rigby), 972 (St Peter's) and X60/1 (Blackpool/Fleetwood - M/cr), which will be retained by Ribble as they are operated from their depots at Chorley and Preston. *NOT LUT*

All GMPT contracts, except numbers 0416 and 0426, are expected to be re-assigned.

Services on the database currently shown under the code BPT will be operated by a new company trading as Burnley Pendle.

This includes services 102, 273 and X43/4, and may include the X1/2 and X43/4.

Bus Service Registration documents have not yet been received from Blazefield so we do not know the exact details at present.

Please contact me should you require clarification on any of this.
